# Thank You

Jen and I would like to take a moment to personally thank a few people.

Thank you to all the parents and grandparent, friends and neighbors and everyone that makes up the Impact family! You supported these dancers and made this year and today possible! Without your support of your dancer and an appreciation for the arts, we wouldn't be here!

Thank you to our incredible teachers! Ms Alex, Ms Andrea, Ms Brooke, Ms Emily, Ms Judi, Ms Kandyce, Ms Natasha, Ms Scarlett and Ms Sarah - who guided, loved, challenged, pushed, cried with and laughed with, and shared their talent and sweat and tears with your kids. They all stepped up and embodied what we aspire to be at Impact!

Thank you to Ms Tiffany, who always has our backs and takes on tough challenges but is so incredibly valuable to Ms Jen! You elevate the studio by your thoughtfulness and diligence and we are so very grateful!

Thank you to our volunteers for this production! They sacrificed their time and also the opportunity to watch the performance so we can have the best show possible.

Thank you to the staff at CSU for allowing us to use this incredible facility and to help put on this production!

Thank you to our sponsors and partners for supporting our dancers and the studio!

On behalf of Jen and myself, thank you to EVERY ONE OF YOU! This year was particularly sad for Jen and the family as we lost her father, John Karlberg in February. He meant so much to our family and the studio. The love and support he gave the studio over the years is in part why we are where we are today. He will be forever missed and never forgotten. So many of you comforted us and lifted us up during this time and the smiling faces of the dancers and the support of the parents truly got us through it!

With Gratitude - Rob and Jen Hazelip
